

# COVID-19 Level 2 Raise Up Protocols

\*Note this is subject to updates based on MOH guidelines

## How to safely come to our meetings during Level 2

### Contact Tracing

Please check in and out of the centre using the NZ Government COVID tracer app

### Wash your hands

When entering and exiting the centre sanitise your hands and disinfect your drink bottle and bag

### No sharing food

Food will not be supplied by the coordinator, young people are to bring their own food and food is not to be shared among other crew members.

### Drop-in Activities

Drop-in activities will have will be restricted to groups of 10.

### Social Distancing

There will be a chair between crew members and only 10 people allowed in one meeting. If you'd be more comfortable wearing a mask during meetings you are most welcome to.

### Declaration

Crew members are required to provide a signed declaration that confirms they are in good health and have not been in contact with COVID-19.
